

Recruitment

About Us:

Language and Learning Foundation (www.languageandlearningfoundation.org) is a New Delhi-based non-profit organization with the vision of enhancing equitable student learning, especially language and literacy development, through the professional development of teachers and teacher educators, building/sharing knowledge, and implementing projects in collaboration with state governments. LLF currently works with 7 state governments across the country.

Position Name: Program Manager

Type of Employment – Full time initial for One year contract subsequent extension based on performance

Location: Delhi

Position summary:

The Program Manager will report to the Director, of State Programs, and will be based out of Delhi. The Program Manager will be the single point of contact from the central team for all critical decisions regarding LLF's intervention in the State of Haryana.

Key responsibilities:**A. Project Management**

- Serve as a single point of contact for all critical project decisions across states
- Manage stakeholders and lead conversations with senior officials, funders, partners, and state governments toward required outcomes
- Closely track decisions taken, timelines to adhere to, progress made, potential risks and dependencies, and delegate responsibilities accordingly
- Create both strategic and short-term project plans and monitor progress through the use of effective tools and escalation mechanisms

B. Cross-functional support

- Lead collaboration for the program by working with cross-functional teams to ensure adequate back-end support is made available and internal alignment between different departments and initiatives within Haryana is strengthened
- Contribute to organizational learning by interpreting data and identifying patterns and trends across multiple state programs
- Support documentation for the programs including monitoring data, developing case studies, and collating evidence about outcomes
- Support review and monitor expenditures and ensure adherence to approved budgets
- Design and implement an M&E system in collaboration with the M&E team for the program, support data collection, and track the progress of these indicators.

C. Support other Haryana programs

- As per the team requirements, monitor and provide strategic support to the other programs running in Haryana.

Qualifications, Skills, and Abilities:

- 8+ years of experience in program management (preferably working with education focussed programs)
- Proficient in data monitoring and analysis
- Proficient in speaking and writing in English and Hindi
- Ability to work with multiple stakeholders, short turnaround times, and changing goalposts
- Strong familiarity with project management methodologies and best practices

Compensation:

- Remuneration will be commensurate with experience and industry standard
